

RIVER

PORTFOLIO

EXHIBIT BUBUF - SIA GUEST

"Bubuf - animal friendly hotel" presented by the architect Simone Micheli during SIA Guest in Rimini, has proposed a new model of luxury hotel with all services, including a big wellness area, covered with wire mesh River.

This product, entirely made with stainless steel, is unaffected by humidity and changes of temperature and, thanking to its qualities of hygiene and easy cleaning, it is suitable to be used successfully in community and private environments.
