GLASS LAMINATED OFFICES

DUNE ORO

Luxurious, elegant, but always usefully, our wire mesh Dune Oro can combine aesthetic and functionality.

Thanks to the brightness and transparency of the fabric is possible to separate environments, having a complete sight of the room. For this reason Dune Oro has been chosen to realize panels to divide the space of this offices. Our wire mesh has given a touch of elegance to the environment and has been used as element both decorative and functional.
